This is a fun class where you are sure to be astonished at your child's fertile imagination and creativity. The children will be drawing and painting in supervised surroundings, and will be using a colourful array of safe, non-toxic media.

You are required to stay at the Centre during this course. Relax, have a coffee, and enjoy observing your little budding artist creating a masterpiece.

Please have your child wear clothing that you won't mind being paint splattered, shoes and maybe a plastic apron. Please bring a drink for your child during their break.

Limited Spaces- 8 children per class
