

Brand New Friday Term Class at Atwell Gallery

Debi Riley says ... *"The soft spoken elegance of rags, the insistent immediacy of your fingers & hands, the swift decisiveness of the knife, the gentling voice of the spray mister. This is a brand new world... With so much to say."*

Brush LESS Paintings

Imagine. A show stopping scarlet red, laced with dark blue indigo strands slathered onto your canvas with a spatula! Brilliant Brush LESS techniques are super fun and absolutely liberating. And oh, so addictive. You will want more.

Learn the language of your tools: fingers, knives, misters, rollers, twigs, flowers, rags are just some of the creative tools you'll use. Free your mind, free your arm; you'll find that creates expressive freedom in your paintings! You will be thrilled with your Brush Less paintings every week! All levels are welcome and definitely bring an enthusiastic sense of Adventure!
